## **Introduction from the leaders team**

Dear beavers, cubs, scouts, parents, comité and friends of the Hesper Kriibsen,

Due to the recent changes in our staff, we inform you about the new distribution of responsibility in our group:

Chef de Groupe: Valérie Jung

Assistant Chef de Groupe: Anouk Hartmann

Scouts leaders: Jean-Marie Strasser, Valérie Jung

Cubs leaders: Valérie Jung, Anouk Hartmann

Beavers leaders: Claire Llido, Irena Stoklasova

For organisational reasons we have to cancel our Dinner in the dark. Instead, there will be a normal meeting in our scout home.

We also have to cancel our summer camp for beavers and cubs in July. However, the spring camp for beavers in April and for cubs in May will be maintained.

If you are interested to help during our activities, do not hesitate to contact us at [comite@kriibsen.lu](mailto:comite@kriibsen.lu) or [cheffen@kriibsen.lu](mailto:cheffen@kriibsen.lu).

With kind regards, Left Paw,  
Your leaders team

## Relais pour la vie

Our Hesper Kriibsen team is supporting the Fondation Cancer by participating to the "Relais pour la Vie 2025".

This will take place on **22nd of March** in the Hesper park. We'll give more precise information closer to that time.

Following that [link](#), you can subscribe yourself or your child. Everyone will run or walk the amount of time that they want. Everything will be cumulated for the team.

The cost is 15 euro per participant.

Participating to this event, is mainly for the two following reasons:

- Show our support to people that are suffering from Cancer and their families.
- Gather money to save lives, prevent cancer and help people that are ill.

Every step, every effort, every donation gets us closer to living in a world without cancer 🙌

So support our team with a donation and together, let's relieve hope. 💜

Dear Kriibs

On Saturday, 18<sup>th</sup> of January, the whole group will go ice skating. Meet us in front of the entry doors to the *Patinoire* in Kockelscheuer at 14:00 (if it rains, we will wait inside). Your parents can come and pick you up again at 16:00 at the entry doors.

Bring a small backpack with:

- thick socks (to put on top of your normal ones)
- gloves
- helmet
- your own skates (if you have them)
- water bottle
- Money (3€ for entry + 3,50€ if needed for renting skates)

Please wear:

- ski suit (or warm jacket & thick waterproof pants)
- scouts scarf (foulard)

Because we must register our activity to the *Patinoire* in advance, please write an email to [cheffen@kriibsen.lu](mailto:cheffen@kriibsen.lu) if you are attending **until the 12.1.** and tell us:

- if you will bring your own skates or if you will need to rent out skates
- And if yes: what shoe size do you need (remember to always order one shoe size above your regular one)

Lénks Patt,  
Your leaders

## Did you know that...

- ...the FNEL was awarded with a Volunteering Quality Award by the Agence du Bénévolat
- ...As Scouting is an inclusive movement, no one should be excluded from activities, this goes also for financial reasons. That's why there exists a possibility to obtain financial aid from FNEL. To contact them, just write an email to [help@fnel.lu](mailto:help@fnel.lu).
- ...Scouts all around the world give each other the left hand when they greet each other. This goes back to the time of the native Americans. In a sign of peace and trust, they let go of their shields, held in their left hand, to greet their friends. That's why we are giving each other the left hand (and showing our hand signs with the right) and we also end our written communications like this. Sometimes you will read lp, which is simply the abbreviation.

## Joke of the trimester

What do you call a scout who's really good at tying knots?

Knot bad at all! 🧶
