

HESPER KRIIBSEN NEWSLETTER

OCT
2024

Introduction from Delphine, President of the Comité

Dear Hesper Kriibsen members,

As our group enters its 3rd season, I would like – as the new President – to thank our previous committee members for their dedication and time over the past years.

Their experience, knowledge, but above all, their fantastic enthusiasm has made what our group is today:

- Carolyn as President,
- Gilio as Secretary,
- Pascale as Chef de Colonie Beavers,
- Gilles as Chef de Groupe and
- Mike as Assistant Chef de Groupe.

I wish to thank the existing committee members for their commitment to our group, but also for putting their trust in me as the new Hesper Kriibsen President. Congratulations to Steffi for becoming the new Secretary 😊

And of course, a big welcome to the new additions to our committee: Natalia and David.

It goes without saying, our group would not be what it is today without the leaders – THANK YOU for all you do!

We will be communicating upcoming activities via our usual communication channels but if at any point in time, parents feel like sparing some time to give a hand, feel free to reach out to the leaders in your kids group or drop a note to the committee itself at comite@kriibsen.lu.

Thank you in advance!

Kind regards,

Delphine Parahy

President

Hesper Kriibsen

Introduction from Martin, Chef de Groupe

Dear Beavers, Cubs, Scouts, Leaders, Parents, and friends from the Hesper Kriibsen,

A new scouting year is well on its way! We already had several meetings, with the highlight of this first trimester of course being the Montée. Congratulations to our 4 Beavers that moved over to the Cubs and our 7 Cubs that moved over to the Scouts.

B-R-A-V-O!

This scouting year is already the third year for the Hesper Kriibsen and we had some changes in our committee and in the leaders-team. A big M-E-R-C-I to all that will leave us and a warm welcome to all the new joiners!

The leaders have been very busy before the summer vacation was even over, to prepare an exciting list of activities for all of us. In this newsletter you will find all the information that you need for the first trimester, with even some extra dates regarding already known activities for the second and third trimester.

Please feel free to send any questions you have to the respective branch-leaders or to cheffen@kriibsen.lu

You might notice that we changed the layout of our newsletter, to make certain that important information is readily available, and we also added a few new topics.

I wish you a lot of reading fun and more important, even more fun during this new scouting year.

Lénks Patt,

Martin van der Valk
Chef de Groupe
Hesper Kriibsen

Did you know that...

- ...the FNEL theme of the year is 'B.A.? Dat kann ech!'
- ...our scarf is yellow and blue because the crayfish were cultivated in the Alzette, blue for the river, yellow for the sand?
- ...that the name for our group, Hesper Kriibsen, has been chosen for the same reason?

- ...the team that helped us out during the Montée needed to do a special education to be allowed to work at heights?

- ...during the Hesper Kultur Summer we had a lot of volunteers helping us out to support our group?

- ...at the end of the first season we had 55 members and 65 members at the end of the second season?

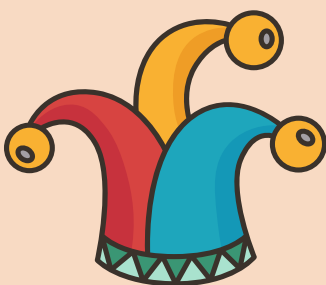

- ...our 6 leaders are supporting on average 45 children during the meetings?
- ...we made our 'Dinner in the Dark' a yearly returning event, with a new beneficiary every time?

- ...if you have something for this section, you can send it to cheffen@kriibsen.lu?
